

# We're hiring!

## Associate Consultant Placement

### 1 year Industry experience – Summer start

Are you an enthusiastic, motivated individual, who is eager to kickstart their career, by developing personal and professional skills?

Would you like to work alongside an amazing team, who are keen to help you at every step of the way? This opportunity offers you experience in a professional work setting, where you will be a valuable part of the team providing meaningful work for a year starting Summer 2024.

We have been hiring graduate students from Sussex & Brighton Universities and have had recent success with placement year opportunities, which we are delighted to continue.

neuco has benefitted from the knowledge and diverse thought that comes from an array of degree disciplines from the team, and welcome anyone to apply for our roles!

---

### About neuco...

neuco are a Specialist Recruitment and Executive Search company, focused on four core sectors – Content & Media, Satellite & NewSpace, Connectivity, and Cyber Security.

We are based in **central** Brighton but work globally having completed projects in more than 50 countries in the past few years and regularly meet with our clients and travel globally to tradeshows and other events.

Our whole model and ethos are built around being a brilliant team, where we reward as a collective and not just individuals. We're about getting the job done as a team and enjoying the journey together.

Our business is nothing without our people, therefore, supporting our employees is our number one priority and we work hard to ensure we create and maintain a collaborative and inclusive environment.

---

### What you'll need...

- The curiosity to learn, understand and improve.
- The desire to work in a 'team first' environment.
- An interest in people - this will help you to really enjoy the recruiting that we do within 4 Highly dynamic and fast paced Tech industries,

---

### What we can offer you...

- Flexible training & development throughout the year, tailored to you.
- Full involvement in companywide initiatives and visibility into the day-to-day running of a business.
- Working on a global scale, experiencing a variety of cultures.
- Regular team events that help promote a healthy work/life balance.
