

# We're hiring!

## Associate Consultant

### Entry level Position

Are you an enthusiastic, motivated individual, who is eager to kickstart their career, by developing personal and professional skills?

Would you like to work alongside an amazing team, who are keen to help you at every step of the way? This opportunity offers you a bespoke training plan, encouraging you to be confident and empowered as an Associate Consultant.

In this role you will have the opportunity to progress within a year and develop skills in areas that interest you, you will be an integral part of our business, and join our cohort of graduates.

We have been successfully hiring graduates from Sussex & Brighton Universities for the past three years and have benefitted greatly from the knowledge and diverse thought that comes from an array of degree disciplines.

---

### About neuco...

neuco are a Specialist Recruitment and Executive Search company, focused on four core sectors – Content & Media, Satellite & NewSpace, Connectivity, and Cyber Security.

We are based in Central Brighton but work globally having completed projects in more than 50 countries in the past few years and regularly meet with our clients and travel globally to tradeshows and other events.

Our whole model and ethos are built around being a brilliant team, where we reward as a collective and not just individuals. We're about getting the job done as a team and enjoying the journey together.

Our business is nothing without our people, therefore, supporting our employees is our number one priority and we work hard to ensure we create and maintain a collaborative and inclusive environment.

---

### What you'll need...

- The curiosity to learn, understand and improve.
- The desire to work in a 'team first' environment.
- An interest in people - this will help you to really enjoy the recruiting that we do within 4 Highly dynamic and fast paced Tech industries,

---

### What we can offer you...

- Career progression, with the opportunity to progress within a year
- Continuous training & development
- Flexible working opportunities.
- International travel & working on a global scale, experiencing in a variety of cultures.
- Regular team events that help promote a healthy work/life balance.
